Welcome back to all our students and their families.

It is nice to see that all the students have returned safe and happy. We are all ready for another exciting term where all students can achieve their best. The staff work hard to ensure that they deliver an enriched curriculum to support every individual.

Please note our important dates on the calendar and I hope you are able to come and join us on these occasions.

I would like all parents to join us for parent group on Thursdays. It is a very valuable group with lots of things to do and learn. Come and be with others and feel supported.
## CLASS REPORTS

### SATURN
**Class Teacher**
Mrs Stiller  
Mrs Ussia

Saturn have completed a successful Term 1. Great progress has been made throughout swim scheme. Some students showed improvement in the skills while others have developed confidence in the water. We have just finished our theme Healthy Lifestyles - students enjoyed researching information on food pyramid and how to keep themselves healthy and well. We also participated in healthy breakfast morning with Neptune. In term 2, we will focussing on addition and subtraction and how to use the jump strategy. In literacy we will be learning how to write a simple sentence and when to use capital letter and full stops.

### NEPTUNE
**Class Teacher**
Ms Mair  
Mrs Grant

Welcome back Neptune! I hope everyone had a good relaxing break after all the excitement of the Easter Hat Parade and fantastic excursion in week 10 last term. We are moving away from descriptive writing this term and are beginning to explore the writing strategies to recount an experience. I think our boys will be excited to write about their trips to the garden and bike riding each week. In Maths we will be focusing on working with money as well as continuing to build our skills in telling the time. Neptune will explore the artwork of talented Australian artist Bronwyn Bancroft and produce artworks using her style and techniques. Mrs Grant and I are looking forward to a productive term full of great learning!

### JUPITER
**Class Teacher**
Miss Webster  
Mrs Mudie

Welcome back to Jupiter students. Mr Moodley is on leave until the end of the year and Miss Webster has been appointed to take over until then.

In Term 2 Jupiter will be learning about transport and for Mathematics, we will be focussing on money, time, multiplication and division.

Looking forward to a great Term 2.

### MERCURY
**Class Teacher**
Miss Clinch  
Mrs Rigas

Mercury have had a fantastic Term 1. Working well together with a great improvement in all learning areas. We enjoyed an excursion to Build a Bear celebrating our learning in our Hearts and Keys topic. In Term 2 we will be focussing on transport and will be going on an excursion in Week 2 to the Campbeltown Bicycle Education and Road Safety Centre. We will be exploring money, time, multiplication and division in Mathematics and look forward to sharing our learning with you.
MARS

Class Teacher
Mrs Lal

SLSO
Mrs Jones

Welcome to Term 2. I anticipate an enjoyable, hardworking and rewarding term. Students will be busy with a variety of activities as outlined below:

Spelling activities will be done during the week. Students are expected to write their words out each day. A test of the week’s words will be given every second Friday.

Students will be placed in reading groups. Each group will be matched to text to best suit their ability. Mars students will be focusing on comprehension skills, recounts and procedures.

Talking and listening is integrated into much of the work done in class. Students will often be asked to report to the class about their work.

In Maths, students will cover work on whole number, algebra and measurement.

We look forward to having a fun and enjoyable term while we learn.

SENIOR 1

Class Teacher
Ms Carroll

SLSO
Ms Spresian

Senior One have had an excellent Term 1. All students have worked extremely hard and there have been great improvements in all key learning areas. In Term 2 we will further develop our literacy and numeracy skills while learning about managing money, learning about the different communities we live in and preparation for the world after school. Senior One have developed their teamwork skills and we will enjoy working as part of a team in Term 2. Ms. Spresian and I look forward to another enjoyable term of great learning.

SENIOR 2

Class Teacher
Ms Matthias

SLSO
Mrs Ritchie

Term 2 is packed with more exciting learning for Senior 2 as we continue to focus on our Skill for Life program. This term we focus on the topics of money, daily living skills and learning about the different communities we live in. These topics all cover core English and Maths skills. Some of our students are continuing their TAFE courses and achieving really well, others will be looking to start external and internal work experience. The big event this term will be the overnight Senior Camp, based at school, on the 4th and 5th of June. Students will need to work extra hard to save their Learning for Life dollars to afford their place. In the wider school community the senior class will be leading the way in setting up the School Council, giving students a voice in how they think the school should be run.

ASSISTANT PRINCIPALS

Ms Matthias

2015 has started off on a fantastic note. Our students have already demonstrated that they are able to be productive successful learners and have begun to apply the skills they have learnt at their home schools. Work has also begun, across the school on the creation of our exciting Skills for Life curriculum focusing on the skills needed for everyday situations. Once created, these lesson aim to increase student engagement and enthusiasm.

Home Doctor Service: Tel: 13 7425. The call centre is open:
Weekdays from 4pm, Saturdays from 10am, Sunday, public holidays, day and night.

Ex-students visit GPS: Two ex-students from the early 1950s, Alan and Anthony, came to visit Glenfield Park School to see how much it has changed. Thank you to Neil Mills for showing them around and to our Senior 1 students for being kind and respectful to them.

An important message from the Assisted School Travel Program
If your child is going to be absent from school and does not require to be transported it is common courtesy to inform the driver as soon as possible to ensure that the driver does not travel to your address unnecessarily.

Parents / Carers
Please have your child ready in the morning,
The drivers are only required to wait 3 mins.

Vegie frittata (Gluten free)
